Dear Pat:

I take pleasure in referring to your good letter of April 28. First of all, while I agree that Dick Helms is a fine choice as your successor, I will regret that this might mean at least that loss of contact with you. I think I know how devoted you have been in a very difficult assignment.

I am a little mystified regarding the reason for Dick's desire that no action be taken to nominate him for the Rockefeller Public Service Award. Personally I see no relationship between that Award and the National Civil Service League Award. However, naturally his wishes will be respected as far as I am concerned.

With warm personal regards and every wish for your continued success, I am

Yours sincerely,

I am sure he will be most interested
